OFFICE OF SUPERINTENDENT OF BANKS

REPORT OF
SUPERINTENDENT OF BANKS

Helena, Montana,
September 15, 1932.

To His Excellency,
Honorable John E. Erickson,
Governor, State of Montana,
State Capitol.

My dear Governor Erickson:

I have the honor to submit the Seventeenth Annual Report of the Superintendent of Banks of Montana for the period ending June 30, 1932, in compliance with the provisions of Section 72, Chapter 89, and Section 36, Chapter 57, of the 1927 Session Laws of Montana.

The number of reporting banks as of June 30, 1932, is ninety-eight compared with one hundred and eight on June 30, 1931. In the year there were six failures, comparatively small institutions, and four voluntary liquidations. Depositors in the latter were paid 100% immediately.

State chartered financial institutions, as shown by detailed statements in this report, reflect a sound condition generally, in spite of the economic and agricultural depression now, and for such a prolonged period, obtaining.

Owing to unusual demands upon the services of this department, the work has not diminished and it is of utmost importance that sufficient funds be made available to continue the present working force. The examiners, liquidating agents, and office force in this department have at all times been loyal and diligent in their efforts, and appreciation is hereby acknowledged.

Coincident with the writing of this foreword, you have been asked to consider and accept my resignation. I wish to express my appreciation of the friendly and earnest counsel and kind cooperation you have extended to me during my tenure of office.

Respectfully submitted,

G. M. ROBERTSON,
Superintendent of Banks.

	\$44,574.47		\$44,574.47

The Expense item of \$173.15 appearing in the above schedule is accounted for by reason of the fact that the Receiver of this bank died in February 1928 and his books do not show any transactions between the date of November 15, 1927 and the date transfer of this trust was made. No dividends have been paid depositors and since practically all of the good assets are pledged as collateral for borrowed money, the remaining assets are of such a doubtful nature that it is apparent that the general creditors, with the exception of preferred creditors, will receive no dividends on their claims.

The above is a statement of the assets and liabilities claimed by the Receiver of the Banking Corporation when the trust was transferred to The Banking Department of Montana on June 11, 1932. The assets are shown at book values, but as the Receivership had existed for over eight years the actual values are problematical and greatly depreciated from the book values shown.

FIRST STATE BANK, CLYDE PARK, MONTANA

Bank Suspended March 28, 1923

Transferred to this Department May 4, 1928

The Receivership of this bank was entirely closed and its assets completely exhausted with the exception of Cash on Hand amounting to \$140.15. This amount was turned over to this Department at the date of transfer for final distribution. The liabilities at closing amounted to approximately \$23,000.00, and after paying the expense of its final closing it may be readily seen that the creditors of this trust will receive no further dividends on their claims.

FIRST STATE BANK, LIVINGSTON, MONTANA

Bank Suspended May 21, 1923

Transferred to this Department May 4, 1928

Prior to its transfer to this Department the assets of the Bank were entirely disposed of and exhausted, with the exception of Cash on Hand amounting to \$3,240.34. This amount was turned over to this Department for final distribution. Inasmuch as the Receivership books were never turned over to the Department after repeated demands, our records are very incomplete regarding this trust. There are no records as to the outstanding claims against the bank, but the last report of the Receiver indicates that claims were filed in the amount of approximately \$435,000.00. After paying the expenses of the final windup of its affairs, it will be seen that general creditors may expect very little, if any, dividends on their claims.

MUSSELSHELL STATE BANK, MUSSELSHELL, MONTANA

Bank Suspended December 11, 1922

Transferred to this Department April 9, 1931

The assets of this bank were completely exhausted and disposed of except Cash on Hand amounting to \$5,280.32 prior to the transfer to this Department. There has been interest collected on this balance in the amount of \$139.07, making the total cash now on hand \$5,419.39. This amount is being held pending the adjudication of a preferred claim filed by the United States Government.
